LOUISMAR, April 5, 1857.

Horley's Sarsaparilla la what it is represented, and I believe it the most wonderful medicine before he public. Nothing under leaven could induce me to asy as without proof of the strongestund surgat kind; therefore I speak willingly and positively on charalter.

kind therefore Ispeak willingly and positively on the smilger.

My daughter has been afflicted with akin diseases and attiffness of the joints for several years. I compared to the principal physicians of this city, and they could not cure her. I gave her year Sursaparilla, not expecting it would do much good, but to my great astonishment, she rapidly got well, and, thank find, continues so. I had she been taking any other modeline. I would not give this certificate, but your Sarsaparilla, the only totally employed.

UATE MES. E. M. EICH.

sther diseases connected with the female organiza-tion, and always found a happy results within a shorter space of time than is usually expended in the treatment. It is decidedly preferable as a gen-cial Toule to Judnie, or preparations of Iron, and am fully satisfied it will become an established here, to the Physician's recise. Respectfully yours, INDEST, E. ABLETT, M.

TRIMMINGS, &C., &D.

By the southern States, assembly goined the southern States and the southern States and the southern States and the southern S

the result of the abuse, and not of the legitimate exercise of the powers reserved or conferred in the organization of a Territory. They are not to be charged to the great principle of popular sovereignty; on the contrary, they disappear before the intelligence and patriotism of the penple, exerting through the hallat box their penceful and allent, but irresistible power.

The Convention, and the follow furgle, men were named as the Committee of Organization.

Tront the First District—O. It. Codk. From the Second District—Wm. Norris. From the Fourth District—J. H. Garrard.

From the Fifth Itestrict—II. Magoffin.

If the friends of the constitution are to have another sangale, its enemies could meteresent a more acceptable issue than that of a State whose constitution clearly embraced 'a republican form of governmental that of a State whose state of the state of th realt, being ex luded from the Uaion because its domestic institutions may not in all respects comport with the ideas of what is wise and expedient entertained in some other State. Fresh from groundless imputations of breach of faith against the control of the committee were not Col William Preston, Hon. J. C. Breckinginge, Cal. H. C. Harris, Schucius Garfield, Esq. Dr. Breckinginge, of Louisville, and other of distinguished democrats addraged the others, men will commence the agitation of this new question with indub table flon of an express compact between The Independent so of the republic of Text United States and of the republic of Text which was adopted.

As, as well as of the older and 'equally resident—Dr. Nathan Gaither at Adair.

Vice Presidents—R. D. Gholson, of the control The Independent sorereign powers of the United States and of the republic of Tex-

direct consequences, that is the very least of the crits involvent. When sectional agitstors shall have supeceded in forcing on this laste, can their preten-sions fail to be met by counter preten-sions? Will not different States be compelled respectively to meet extremes with extremes? And, if either extreme carry its point, what is that so far forth but dis-solution of the Union? If a new State, formed from the territory of the United States, be absolutely excluded from admission therein, that fact of itself constituten the disruption of union hetween it and the other States. But the process of dissolution could not step there. Would not a sectional decision, producing such result by a majority at votes, either norshers or southern, of necessity drive out the oppressed and aggriered

minuity, and place in presence of each other two irreconcilably hostile confeder-It le necessary to speak thus plainly of projects, the offspring of that sectional agitation new prevailing in some of the Beates, which are as impracticalle as they are unconstitutional, and which, if persevered in, must and will end enlandtously. It is either disunion and civil unles for their respective distincts. war, or it is mere aggry, idle, simbles distarbasee of public peace and tranquil.

Ity. Disunion for what? If the passionate rage of fansticiant and partisms spirit did not lores the fact upon our attention, it would be difficult to believe that any considerable portion of the people of this sensitivities of surdered themselves ton fanatical devotion to the supposed interests of the rela- and referred to the committee on reso-tively few Africans in the United States, lutions, one sisting of the following per-
